Summary

I am a full stack developer and a lifelong learner. I enjoy development because of satisfaction of overcoming challenges and the joy of discovering, learning, and tinkering with new technologies. I am motivated by the opportunity that software provides to positively impact the life of an individual, and the world.

Skills and Technologies

Next.js | Python | Flutter | PHP | MySQL | Node.js | React.js | Object Oriented Programming | Git | Github | General IT Services | Computer Software and Hardware Maintenance | Linux

Github: https://github.com/Stem-LG
